

# Crispo

Crispo Aluminum skirting board, is a complementary as it brings an aesthetic appearance to the areas by being furnished into the corner between the joint points of wall and floor which are two different materials.

Crispo Aluminum skirting board preserve the aesthetic appearance of the area by covering the gaps or flaws that might be occurred during application. The Crispo Aluminum skirting also functions like an aluminum cable duct as it turns the messy appearance into an ordered and classy one by accommodating telephone, electric, and internet cables with the channels inside of it. The two-piece Crispo Aluminum skirting is very easy to install.

With its different color and surface options, Crispo Aluminum skirting board provides an integrity to the whole living areas such as home, office, hotel, hospital, shopping mall.
