

# Velo

Velo Aluminium Skirting Board is manufactured to prevent damages that may occur at the junctions of walls, floors, carpets, ceramic, marble and granite floors and to cover the poor appearance at junctions and can be used conveniently as it is easy to be applied which requires only adhesive tape or silicone.

With the alternatives of Aluminum anodized and chrome-plated surfaces, Velo Aluminum Skirting Board adds a pleasant look of the aluminum to the areas that applied, while catching a matchy look with the classic and wooden decoration by having coating options like gold and PVC foil.

Bring the aesthetic to your living areas with the Velo Aluminum Skirting Board, which is available in 6 and 10 cm height.
