

VISIO

Aluminum Flooring

Visio aluminum carpet threshold profile provides safe, aesthetic and long-lasting interior transitions between different flooring materials. It creates a safe environment, especially for children and the elderly, by providing a smooth transition between different flooring heights. Visio aluminum carpet threshold profile is designed to close gaps between carpet and other floor coverings. It provides a smooth transition between carpet and other floor covering types, eliminating any irregularities or tripping hazards that may occur. It also prolongs the life of carpets by protecting them against wear and tear. Visio, which has an aesthetic appearance as well as functional advantages, improves the overall appearance of your interior design. Visio aluminum carpet threshold profile has a matte anodized coating option in silver, yellow and inox colors.
